# Secure Data Destruction

## What You Need to Know

---

### Seminar Invitation

#### Event Details

**Date:** Wednesday 26th March 2014

**Venue:** Fitzwilliam Hotel, Dublin

**Time:** 10:00 - 12:00

We would like to invite you to attend a seminar on the risks associated with outsourcing the destruction of information. Delegates who attend will receive updates on:

- » Your responsibilities as a data processor and data controller.
- » The risks associated with data destruction and how to manage them.
- » Selecting a supplier for data destruction, what to consider.
- » Standards in information destruction.

#### Speakers

**Alan O'Grady**, Data Protection Commissioner's Office

**Dr. John Ghent**, Director, Sytorus

**Richard McIlwaine-Biggins**, SDD Chairman, Irish Security Industry Association

#### Who Should Attend?

Anyone with responsibility for the purchasing and/or management of information destruction services.

#### How to Book

Reserve your place by emailing [events@isia.ie](mailto:events@isia.ie) or call **01-4847206**
