## CRITERIA FOR NOMINATION

---

This award enables the Security Industry to recognise exceptional service, performance and leadership by Security Supervisors within ISIA electronic security member companies. The award is also intended to foster employee morale and encourage employee initiative, commitment and leadership. By demonstrating the importance management attaches to excellence of performance by Security Supervisors in the electronic security field this award recognises the contributions that these supervisors make to the overall business operation. The submission should allow the judging panel to assess how the Security Supervisor has performed with relation to the following areas: (1) Planning/Scheduling (2) Customer Focus (3) Leadership/Motivation (4) Business Focus (5) Organisation/Administration
